

Broadway Volvo: Vision and Design Workshop

The City of Tucson, in coordination with the local American Institute of Architects (AIA), invite you to the Broadway Volvo Vision and Design Workshop of this City-owned site.

We want to hear your ideas on the redevelopment of this prominent site that could help create a gateway for Broadway Blvd. and downtown.

This will be an opportunity for neighborhoods, property owners, businesses, and local development professionals to work together on identifying the site's opportunities, challenges, and creating a vision and goals for its redevelopment.

Please join us to discuss the future of the Broadway Volvo Site (930 E. Broadway + 2 adjacent parcels).

Date: September 18, 2014 (Thursday)

Time: 5:30 – 8 PM

Location: 17 E. Pennington (Pioneer Building – Enter from Pennington St.)

Parking: Metered Parking along Pennington (Free after 5 PM) and Pennington Garage (on the corner of Pennington and Scott)

**RSVP to: Camila Bekat, camila.bekat@tucsonaz.gov
520-837-4078**
